How to get to Venice International University:

Venice International University is situated on the Island of San Servolo, 10 minutes by boat from Piazza San Marco.

The n°20 vaporetto (public boat transport) connects the island with the city center. It departs from San Zaccaria, the waterfront adjacent to Piazza San Marco. The landing dock for the n°20 vaporetto is "San Zaccaria Monumento" in front of the Londra Palace Hotel.

Boat line n. 20 connects Venice and San Servolo and leaves from San Zaccaria, near St. Mark Square.

Reaching San Zaccaria waterfront:

From Piazzale Roma (bus station) and from Venezia Santa Lucia (the train station) to San Servolo

There are several choices from Piazzale Roma or Venezia Santa Lucia station to San Servolo. Take either the n°1, n°2, n°4.1 or n°5.1, and get off at the **San Zaccaria** boat stop. At San Zaccaria change to line n°20 which leaves from "San Zaccaria Monumento" boat stop and connects to San Servolo.

From the airport to Venice (San Zaccaria) – then follow the instructions regarding vaporetto n.20:

Water (direct) and land Taxis (via Piazzale Roma)

You can take a private water taxi directly to your final destination (which is an expensive choice, from the airport to San Servolo it costs about €110.00). Alternatively, you can take a land taxi to Piazzale Roma, and then follow directions from Piazzale Roma.
